Office Policies

Referral Process

It may be necessary for our office to refer you to a specialist to manage your care. In order for a referral to be made, you must be evaluated first in our office. If you need to request a referral from us, phone us at least one week prior to your appointment. As part of the referral process, we may need to share your medical information with another provider or specialist. Your privacy is protected as only minimal information is shared.

Medication Refills

Please bring your medications to your appointments. Should you need refills prior to your next appointment, first call your pharmacy. They can request a refill from our office. Please give us at least 48 hour notice prior to your medication running out, 2 weeks notice if it's a mail-order pharmacy. Pain medicines may require an appointment.

Billing

Please bring your insurance card(s) to each visit. All co-pays and deductibles are the patient's responsibility and expected to be paid on the day of service prior to being evaluated by the provider.

Scheduling Appointments

Patients are seen by appointment only, except in the case of an emergency, which may cause delays. We ask for your understanding, knowing that if you ever require urgent care, we will give you prompt attention. To schedule appointments, please call (330) 422-4377. In the event that you are unable to keep your appointment time, please call at least 24 hours in advance to reschedule. **There will be a \$25 charge for no show appointments.** If you miss 2 or more appointments due to a "no show" appointment, your chart will be reviewed and you may be discharged from this practice.

Hospital/Emergencies

Both of our physicians have hospital privileges at Cleveland Clinic South Pointe Hospital. Dr. Aarondeep Deol also has hospital privileges at UH Portage Medical Center. If you have a life-threatening illness, call 911 or go to the nearest Emergency Room and have a family member call our office.

After Hours/On Call Policy

Our office hours are Monday through Friday 9am-5pm. Please call the main office phone (330) 422-4377 if you need medical attention after hours that cannot wait until morning. If you have a non-urgent request, you can leave a message for staff to be returned the next business day. If it is an urgent request, you can use the Spruce app to contact the doctor. After speaking with you, you may be prescribed medication, advised to follow up in the office, or advised to pursue further urgent or emergent care.
